The screenshot shows the VMware Player application window. The title bar reads "VMware Player (Non-commercial use only)". The address bar contains "http://en.pcfavour.info". The main content area displays "Welcome to VMware Player" with a "Home" button. A "New Virtual Machine Wizard" dialog box is open, titled "Welcome to the New Virtual Machine Wizard". The dialog contains the following text: "A virtual machine is like a physical computer; it needs an operating system. How will you install the guest operating system?". Under "Install from:", there are three radio button options: "Installer disc:" (with a dropdown menu showing "DVD RW Drive (F:)"), "Installer disc image file (iso):" (with a dropdown menu and a "Browse..." button), and "I will install the operating system later." (with the note "The virtual machine will be created with a blank hard disk."). Below the options is a blue arrow pointing right with the text "Select the installer disc image to continue.". At the bottom of the dialog are buttons for "Help", "< Back", "Next >", and "Cancel".
